Remedies

If, during the applicable Warranty Period the buyer discovers any defect in workmanship and materials or suspects that the SolarEdge Home Battery 400V has failed to comply with the Energy Capacity Warranty and the buyer therefore seeks to activate the Limited Warranty, then the buyer shall, promptly after such discovery, report the defect to SolarEdge by sending an email to support@solaredge.com with the following information: (i) a short description of the defect, (ii) the SolarEdge Home Battery 400V's serial number, and (iii) a scanned copy of the purchase receipt or warranty certificate of the SolarEdge Home Battery 400V. Upon the buyer's notification, SolarEdge shall determine whether the reported defect is eligible for coverage under the Limited Warranty. The SolarEdge Home Battery 400V's serial number must be legible and properly attached to the SolarEdge Home Battery 400V to be eligible for Warranty coverage. If SolarEdge determines that

the reported defect is not eligible for coverage under the Limited Warranty, SolarEdge notifies the buyer accordingly and explains the reason why such coverage is not available.

If SolarEdge determines that the reported defect is eligible for coverage under the Limited Warranty, SolarEdge notifies the buyer accordingly, and SolarEdge may, in its sole discretion, take any of the following actions: repair the Product at SolarEdge's facilities or on-site; or issue a credit note in an amount up to the actual value of the lost SolarEdge Home Battery 400V's capacity at the time the buyer notifies SolarEdge of the defect, as determined by SolarEdge, for use toward the purchase of SolarEdge products; or replaces the SolarEdge Home Battery 400V with an equivalent product at the time of the warranty claim. SolarEdge determines whether the Product should be returned to SolarEdge and, if SolarEdge so determines, the Return Merchandise Authorization ("RMA") Procedure (set out below) is invoked. SolarEdge may use new, used, or refurbished parts that are at least functionally equivalent to the original part when making warranty repairs. The repaired product or replacement parts or SolarEdge Home Battery 400V, as applicable, shall continue to be covered under the Limited Warranty for the remainder of the then-current Warranty Period for the Product. Where SolarEdge invokes the RMA Procedure, SolarEdge instructs the buyer on how to package and ship the SolarEdge Home Battery 400V or part(s) at the buyer's expense to the designated location. SolarEdge will, at its expense and sole discretion, either repair or replace the SolarEdge Home Battery 400V or part(s). SolarEdge will deliver the repaired or replaced SolarEdge Home Battery 400V or part(s) to the buyer at the buyer's designated location in countries where SolarEdge has an office and/or there is a significant PV market. For the specific list of countries to which such service is provided, read the [shipping cost coverage warranty](#). SolarEdge bears the cost of such shipment, including shipping and customs (where applicable), and the buyer shall bear any applicable value-added tax. SolarEdge may elect to ship a replacement SolarEdge Home Battery 400V and/or part(s) before the receipt of the SolarEdge Home Battery 400V and/or part(s) to be returned to SolarEdge as per the above. All costs, including, without limitation, labor, travel and boarding costs of SolarEdge service personnel or others that are incurred for labor relating to repairs, uninstalling and reinstalling of SolarEdge Home Battery 400V on-site, as well as costs related to buyer's employees and contractors repair or replacement activities, are not covered by the Limited Warranty and, unless otherwise agreed in writing in advance by SolarEdge, shall be borne by the buyer.

SOLAREEDGE SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES ARISING OUT OF OR RELATED TO THIS LIMITED WARRANTY, REGARDLESS OF THE FORM OF ACTION AND REGARDLESS OF WHETHER SOLAREEDGE HAS BEEN INFORMED OF, OR OTHERWISE MIGHT HAVE ANTICIPATED, THE POSSIBILITY OF SUCH DAMAGES. Coverage under the Limited Warranty is subject to the buyer complying with the foregoing notification requirements and cooperating with SolarEdge's directions. SolarEdge's sole obligation and the buyer's exclusive remedy for any defect warranted hereunder is limited to those actions expressly stated above.
