

QuickStart Guide

SolarEdge Proposal Onboarding Steps

To ensure a smooth onboarding process for our Proposal tool, please follow these steps:

Step 1 Customize Settings and set Utility Rates in the Designer platform - Refer to this [video](#) for guidance.

Step 2 Create your first project - Watch [this video](#) for step-by-step instructions. Then simply go to: designer.solaredge.com

What You Need to Send Us for Your Company Overview Presentation

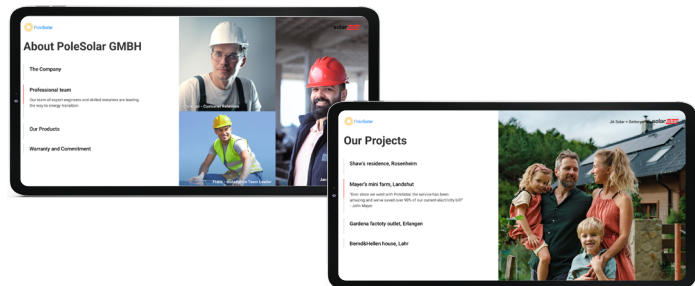

Main Page Design:

- Main page background image (1280×600 resolution, JPEG or PNG, 10MB maximum)
- Header Text (up to 64 characters)
- Body Text (up to 1054 characters)

Company Pages Design:

- Header text (up to 64 characters)
- Up to 4 bullet points
- Body text for each bullet point (up to 1054 characters)
- Background image for each bullet (500×500 resolution, JPEG or PNG, 10MB maximum)

You can send a request for SolarEdge to create multiple pages about your company such as: about, team, products, projects, etc.

NOTES:

1. Please ensure you follow these guidelines for an optimized experience of SolarEdge Proposal.
2. Please send the information above, to Designer-feedback@solaredge.com and we will create tailored company pages for your proposal.
3. If you choose not to include your company overview in your proposal, then you can use the general template with all other capabilities.
