

## Declaration of Conformity - Taiwan

This is to declare that the following products, including the required accessories, are compliant with the Taiwanese electrical power grid requirements as below, when set to the Taiwan country setting.

Product:	Solar Inverter
Manufacturer:	<b>SolarEdge Technologies Ltd.</b> 1 HaMada St. Herzeliya 4673335, Israel
Single phase inverter model:	SE6000, SE5000, SE4000, SE3500, SE3000, SE2200 SE6000H, SE5000H, SE4000H, SE3680H, SE3500H, SE2200H
Three phase inverter model:	SE100K, SE82.8K, SE66.6K, SE55K, SE33.3K, SE27.6K, SE25K, SE17K, SE16K, SE15K, SE12.5K, SE10K, SE9K, SE8K, SE7K, SE5K, SE4K

Protection Parameter	Trip Setting	Clearance Time
AC Over Voltage	242 V	2 sec
AC Under Voltage	193.6 V	2 sec
AC Over Frequency	61 Hz	0.1 sec
AC Under Frequency	58 Hz	0.1 sec
DC Over Voltage	Single phase inverters: 500 V Three phase inverters (other than SE33.3K): 900 V SE33.3K: 1000 V	0.2 sec
DC Under Voltage	20 V	Inverter reverts to night mode within 300 sec

Other Parameters	Value
Grid Monitoring Time	300s
Anti-islanding	Active and Passive methods for all inverters, including ROCOF and frequency shift
DC injection	<0.5% of nominal current
