Application Note: Adding a Logo and a Site Image to the Monitoring Platform Dashboard View

Introduction

In the SolarEdge monitoring platform, you can add an image such as a logo and a site image to the top of the Dashboard.

To add a logo and site image to the dashboard:

1. In the main window, select the site to which you are adding the images. The Dashboard view is displayed.

Current Power	Energy today	Energy this month	Lifetime energy	Lifetime revenue		
Power and Energy				Site summary		
Day Week M	fonth Year				Situation:	(2)
14/01/2016 - 04/30	2016 Syste	m Production: 68.3	13 kWh		(F Bane Conty Ob Address Address Sectoplate Contypatie Contypatie	2008 diseast diseast diseast diseast distribut distribut distribut distribut distribut distribut distribut distribut distribut
wh 25 k					Weather	

3. Click Images.

Site Details	Site Access		Revenue		
Details Images					
Overview					
guid:	ff3c03a0-1646-4f36-9f70-d9c474ef5eb8				
Site name:*	Massachus
