Subject: Grounding testing of Solaredge optimizer as part of UL 1741 certification.

Dear Mr. Adest,

This letter is to confirm that the grounding of the Solaredge optimizer, as described in the Solaredge manual, was tested as part of the listing evaluation and complied with the standard's requirement of less than 0.1 Ohm resistance.

If there are any questions regarding the results contained in this report, or any of the other services offered by Intertek, please do not hesitate to contact the undersigned.

Please note; this Letter Report does not represent authorization for the use of any Intertek certification marks.
